THE DESIGN PROCESS

Choose a design concept (as-is or modified) or a combination of design elements from 300 concepts. We provide text samples to give guidance and ideas in developing your unique written content. With your direction, we'll create a campaign logo & incorporate it in all the communications along with your specific text for each particular item and, where applicable, photos of your people, and/or architectural art.

Fully-custom design concepts can be created at your request

DESIGN-only COSTS

Design-only Cost - Campaign Logo	We place your title in one of 9 type-only options. Optional Fully-Custom Logo is available starting at \$400.	\$200
Design-only Cost - 14 Item Package (as shown above)	Design cost includes account time, Adobe In-Design layout work, Photoshop work & more.	\$3,700
